About Impac

Impac offers a comprehensive range of services all in one place. This allows you to engage with New Zealand's leading health, safety and risk practitioners, who collectively have decades of experience developing practical and effective solutions for businesses just like yours.

We have an outstanding reputation for our commitment to our clients and for our professionalism and openness. We are trusted by many of New Zealand's leading corporate and public bodies. We are accredited by NZQA, NEBOSH and IOSH to deliver quality training to your doorstep. We keep up to date with all the current developments to give you the best advice and have a quality assured network of experts to call on. We can tailor solutions to fit your specific needs.

Why choose Impac?

- ✓ We are a registered PTE with accreditation to provide H&S training up to level 6 on the NZQA domain
- ✓ We offer internationally recognised qualifications
- ✓ All our trainers are practicing health and safety professionals and qualified trainers
- ✓ We are one of the largest providers of industry specific health and safety training in New Zealand
- ✓ We are flexible in our format, enabling us to design courses to meet your specific needs as well as offering 'off the shelf' courses
- ✓ Discounts are available for 'bulk' training or contracted training
- ✓ Training is available nationwide at your workplace or public courses are available
- ✓ We can offer training administration services to make your life simpler
